INFORMATION ABOUT SUMMER HOLIDAY WORKSHOP

- The Workshop** Students do not have to attend a Stagecoach school in order to take part. The aims of the workshop are to increase the student's confidence through learning about many different aspects of the performing arts. The students will be working towards a performance which parents will be invited to watch on the last day.
- Times** **10.00 a.m. – 4.00 p.m. Monday to Thursday**
10.00 a.m. – 7.00 p.m. Friday – Performance at 6.00 p.m.
- Costs** **The workshop costs £130 per student.** (Additional siblings £100). This is payable as a non-refundable deposit of **£45** per student payable with the application and the balance of **£85** (£55 for additional siblings) **is payable on the first day of the workshop.** We regret that no further discounts or concessions are available.
- Coaches** Holiday Workshops are run by Stagecoach Theatre Arts school – the largest part time performing arts school in the UK. The coaches are all professionals in their field, highly motivated with a great deal of enthusiasm for their art.
- Food** Students will need to bring something to drink at break time and tea break, and a packed lunch every day.
- Kit**
- Students don't need any special kit – they must have a pair of gym shoes, plimsolls, tennis shoes or jazz shoes but not trainers. Jazz shoes will be available to buy at a cost of £16 - £18 on the first day. Please indicate normal shoe size on the application form attached and bring money on Monday the first day.
 - Loose comfortable clothing should be worn that may get dirty. Jogging pants, shorts or leggings with a T-shirt or sweatshirt are ideal. **NO JEANS OR PLATFORM SHOES** – they restrict your movement too much.
 - Students may be asked to provide small items of personal costume for the performance.
 - Students' scripts and pens will be provided but bring a notebook to make notes.
 - Apart from that all that is needed is a good night's rest each night and enthusiasm!
- To Enrol** Fill in the attached application form and return it to:
